Dear Sir,

Since 2007, Paragon Personnel Services have supplied us with human resources based on our operational needs.

Loek Wildenburg and his staff have provided us as a company with a professional and efficient service of a very high caliber.

As a value added service provider, Paragon's expertise and knowledge of the labour market in South Africa and globally and their knowledge of the LRA and the BCEA stands them in good stead to provide labour of a high quality and skill.

Going forward Magna Mirrors SA will continue to use the services proved by Loek and his team.
